

EXHIBITOR PROSPECTUS

SPINE SURGERY: SPEC-OPS OF MEDICINE

AANS

CNS

Dear Corporate Partner,

Get ready to mark your calendars because you absolutely won't want to miss the 2027 Spine Summit! Hosted by the AANS/CNS Section on Disorders of the Spine and Peripheral Nerves, this isn't just an event – it's the premier gathering. From February 18–21, we're coming together at the Disney's Yacht & Beach Club Resort for an experience unlike any other. This is the ultimate educational powerhouse for neurosurgery and orthopaedic spine and peripheral nerve surgeons, plus all our invaluable allied health professionals!

For our amazing industry partners, the 2027 Spine Summit is your golden ticket to connect with over 1,000 dedicated surgeons and allied health professionals. These are innovators and decision-makers, and they're all eager to discover the cutting-edge advancements in spine and peripheral nerve surgery. From daily Beverage Breaks in the Exhibit Hall to electrifying Scientific Sessions and beyond, you'll have countless opportunities to engage directly with key players from institutions and practices spanning the U.S. and across the globe. This is your prime platform to brilliantly showcase your innovative products and services to an audience that's not just diverse, but genuinely attentive and excited.

The summit attracts a significant number of neurosurgery and orthopaedic residents and fellows. This means an unparalleled chance for you to forge powerful connections with the next generation of leaders – the very individuals who will be driving future innovations and advancements in the field. Don't wait! Secure our prominent presence at this influential event by reserving your booth space today. Exhibit space has sold out for the past two consecutive years, so we encourage companies to reserve their booth early. Exhibit spaces are in high demand, and they vanish fast, so apply early!

To truly amplify your company's presence and make a lasting impression on 2027 Spine Summit attendees, we're offering an incredible array of sponsorship and branding opportunities. These opportunities are strategically designed to powerfully highlight your products and services, perfectly align with your engagement goals, massively amplify your marketing messages and skyrocket your brand awareness – both inside and outside the Exhibit Hall!

Beyond the incredible networking, our extensive program is packed with amazing keynote presentations from leading experts, immersive hands-on workshops and dynamic panel discussions on the most cutting-edge research and clinical practices.

Your partnership isn't just important; it's absolutely crucial in fueling innovation and propelling the field of spine surgery forward. We invite you to join us and be a vital part of the success of this extraordinary event. We can't wait to welcome you to the energy and excitement of Orlando!

Warm Regards,

John H. Shin, MD, FAANS Exhibits Chair

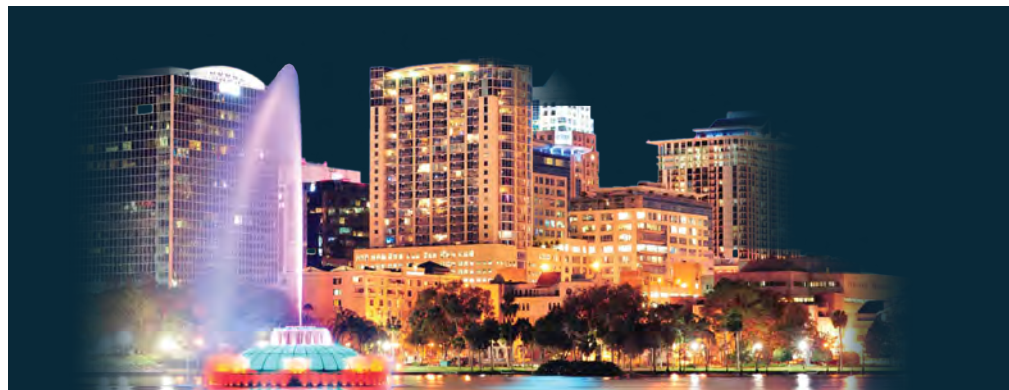

Reach decision-makers from the AANS/CNS Section on Disorders of the Spine and Peripheral Nerves.

The AANS/CNS Section on Disorders of the Spine and Peripheral Nerves was created to foster the use of neurosurgical methods for the treatment of disorders of the spine and peripheral nerves. The section strives to advance neurosurgery and related sciences, improve patient care, support meaningful basic and clinical research, provide leadership in undergraduate and graduate continuing education and promote administrative facilities necessary to achieve these goals.

EQUIPMENT

Each exhibit booth includes an eight-foot back drape, three-foot side rails and an identification sign. Electricity, AV, telephone, internet access, etc. will be at the expense of the exhibitor. This exhibit facility is carpeted.

EXHIBIT HALL ACCESS

Exhibitor personnel will be permitted on the exhibit floor two hours prior to opening and may remain one hour after the daily closing of the Exhibit Hall, with the exception of February 20, when dismantling begins. All booth personnel meetings must be conducted within these hours and within the confines of our booth. Admittance is not permitted before or after the specified times. All exhibitors are required to wear the official 2027 Spine Summit name badge at all times while in the Exhibit Hall and official 2027 Spine Summit meetings and events.

SCIENTIFIC SESSION ACCESS

Exhibitors may attend daily Scientific Sessions free of charge, once all attending physicians have been seated. Exhibitors may not register for Special Courses and/or the Advanced Practice Providers (APP) Seminar.

EXHIBITOR SERVICE KIT

The Exhibitor Service Kit, including shipping instructions, on-site registration hours and various service order forms will be emailed to exhibiting companies in October 2026.

Exhibitors may register two exhibit booth personnel per contracted 10'x10' exhibit booth, free of charge. Each company is allowed to purchase two additional badges per 10'x10' booth for \$450 each. Additional badges can be purchased at a rate of \$850 each beyond the comp and discounted badge allotments. Badges will be distributed to booth personnel at Exhibitor Registration. Replacements for lost or stolen badges may be purchased for \$100 each on-site.

Only confirmed exhibitors may register for the meeting. Distributor or guest badges are not available. The nonmember, non-physician category is open to scientists and researchers involved in neurosurgical research and/or

product development. This category is not open to representatives of non-exhibiting medical device manufacturers and distributors, pharmaceutical companies, or other organizations providing goods and services to the neurosurgical population.

Representatives without a badge or with badges not prepared by the 2027 Spine Summit will not be admitted into the Exhibit Hall, Education Sessions and official Spine Summit Social Events. No exceptions will be made.

Badges are personal, non-transferable and must be worn in the exhibit area at all times. Attaching unapproved cards, ribbons or other items to badges is not permitted.

HOUSING INFORMATION

After you purchase your booth, the primary contact will be emailed a confirmation link to register for housing. Opening in early October.

OPENING RECEPTION

The Opening Reception is open to all registered exhibitors at no charge. Name badge will be required for entry.

NEUROSURGICAL ATTENDANCE

Section members, other neurosurgeons or allied medical professionals who are not considered full-time employees of the exhibiting company may not register as an exhibitor. Neurosurgeon employees may register as representatives of exhibiting companies but will not receive CME credit or an attendance certificate

EXHIBITOR RULES AND REGULATIONS

Exhibitor Rules and Regulations were created for the best interest of the exhibitors, attendees and the AANS/CNS Section on Disorders of the Spine & Peripheral Nerves 2027 Spine Summit. It is important for exhibitors to abide by these regulations. Failure to comply with any rule set forth may result in the denial of future participation.
